NOTES AND PRECIS.

PUC, D.No.8164 S.N.1

The Honorary Secretary of the Bangalore Boy Scouts Association requests that a grant of Rs.500/- may be sanctioned for the current year as the Association is badly in need of help. In the estimated receipts for 1936 furnished by him he has however taken into account only a grant of Rs.450/-. The estimated receipts and expenditure of the Association furnished by the Hon.Secretary compare with the actuals of the last three years as follows:-

page 2 Enc to PUC,

Year	Receipts	Expenditure	Expre. more or less
1933	1483-7-9	1022-13-11	less by 460- 9-10

The financial position of the Association with and without the Govt. grant of Rs.500/- would be as follows:-

The Association has been receiving a grant of Rs.500/- a year since 1925. Only in 1935-36 a grant of Rs.350/- was sanctioned.

It is understood from the Office of the Inspector of Schools that a sum of Rs.350/- only has been reserved for this purpose in the current years budget.

In view

In view of the all round economies we are trying to effect in the M.A.T.budget it seems we should make a ~~permanent~~ permanent reduction in the grant to the Boy Scouts Association also. It is for orders whether the grant may be reduced to Rs.250/- and the Honorary Secretary informed that in view of the present state of the finances of the M.A.T and the supreme necessity for effecting economies in all directions the Hon'ble the Resident regrets that it is not possible to sanction a larger amount.

When the Camp Commissioner visited Kurla in 1934 he pointed out that, contrary to the practice in England, boy-scouting in India relies too much on financial assistance from Govt. At one annual general meeting at least of our Assocn. I pointed out that the Assocn could not rely for ever on such generous support from Govt, & at every such meeting I have appealed to the public to support the Assocn more generously. Compare the 1935 & 1936 figures (1934 figures are with on file) public subscriptions donations show: See

The Secretary

To The Hon'ble The Resident in Mysore

Bangalore.

Dear Sir,

I am directed by the Executive Committee of this association to request the Hon'ble the Resident to grant the usual non-recurring grant of Rs 500/- to this association this year also.

It will be seen from Appendix 4 of the Annual Report, that the response from the public so far as subscriptions are concerned was nil.

As the number of poorer troops need help very badly grants for uniforms, it is under contemplation to help them, to keep them going and it will entail considerable expense.

Moreover the numbers have increased and expenses will increase proportionately.

Further Scout Week expenses this year exceeded the Concert proceeds by a hundred rupees.

Taking all this into consideration the Executive Committee hope that the Hon'ble the Resident will be pleased to sanction the grant prayed for.

Yours faithfully
B A Madhavaraya Mudr
